

Weve Always Been Your Friend Acoustic
The Sunshine Underground

Great song, these are the chords of the acoustic version that he plays in youtube, enjoy:

F#m **A** **E**
We ll mend your broken hearts

Bm
Put em back together again

F#m **A** **E**
We ll never let you down

Bm
We ve always been your friends

F#m **A** **E**
This is black and white

Bm
When you gonna colour it in

F#m **A** **E**
Be there until the end

Bm
We ve always been your friends

Bm **D**
Your friends

G **E**
But then it s nothing in particular now

Bm **D**
Stop making sense, Again

G **E**
We are the future now

---And repeat---

We call upon your humble opinions tonight
Are you there? Are you there?
My friend
I call upon your humble opinions tonight
We re gonna do your aim (?)
Forget about the trouble your in
Cos are you lost, are you found my friend
Forget about the trouble your in
We ve always been your friends
Your friends
But then it s nothing in particular now
Stop making sense, again
You know your hands are tied
But are you gonna do the right thing?
Well come in
Because it s nothing in particular now
Stop making sense, Again
We are the future now

Your Friends

Your Friends

But it s nothing in particular now

Stop making sense, again

I know your hands are tied

But are you gonna do the right thing?

Well come in

Because it s nothing in particular now

Stop making sense, Again

We are the future now

Ohh
