Second Sun

Capo On 1

Verse

**D** **E** **F#**  
I caught the tail of something I forgot to give  
It s the strangest of emotions

**D** **E** **F#**  
I couldn t tell if it s the enemy in me

**D**  
Now well, I could take a thousand years

**E**  
No one stands and no one hears

**F#**  
Something tells me I could be alright

**D**  
Through all the changes I could crawl

**E**  
It s not enough to save it all

**F#**  
Temporary happiness, I like it

Chorus

**A** **A/F#**  
Would you say I m never gonna tell you

**F#m** **E** **D**  
Don t you know I m straight to the point again

**D/B** **D** **D/B**  
And I m waiting for the second sun

**B**  
To show me where I m going wrong

Verse

**D** **E** **F#**  
Could you see if anybody is looking my way

I don t know if I believe you  
**D** **E** **F#**  
I hope to god it s coming back on me someday

**D**  
It s always happening to someone who  
**E**  
Could take it all and see it through

**F#**

Now I m left with nothing that I would need

**D**

And everything will turn around

Standing in the wake of you, I like it
