

Resin
The Supervillains

A G A G

Resin, you stick to my fingers

A G

But you get me high and you get me by

A G

And so I figure, whoa

A G A G

Resin, you burn from black to white, whoa

A G

But you last me long when all my weed is gone

A G

And so I figure, whoa

Dm A

I think I will keep you around (I think I ll keep you around)

Dm A

Just in case my big supply is down (When my supply is down)

Dm A G F# B

But now if I really want to get all fucking stoned

G F# G A

I gotta mix you with the B.K.F.

A G D C

And now I know what to do when Mary is gone

A G D C

I just hook up with her available friend, Resin

A G D C

And I said, I know what to do when Mary is gone

A G D C

I Just hook up with her available friend, Resin

A G A G

Heaven, the smell of your hair lingers

A G

But you stay all night, even when we fight

A G

And so I figure, whoa

A G A G

Resin, you stick to my fingers

A G

But you get me high and you get me by

A G

And so I figure, whoa

Dm A

I think I will keep you around (I think I ll keep you around)

Dm **A**
Just in case my big supply is down (When my supply is down)
