INTRO: Bm D
#1.
         F#m
               G
As I lie awake, resting from the day.
         F#m
                     G
I can hear the clock, passing time away.
Oh, I couldn t sleep, for on my mind,
                    Α
was the image of the girl I hope to find.
Whoa, oh, oh, oh..
#2.
               F#m
I look straight up, at the ceiling above..
               F#m
                         G
thinking of the girl, whom I will love.
Oh, would it be soon, when she exists?
The image of the girl, I ve always wished.
Whoa, oh, oh, oh..(Ba, ba, ba, ba..)
CHORUS:
                            F#m
I twisted and I turned, ooh, trying to sleep.
                       F#m
But all I could do, was only to weep.
                        F#m
For I haven t found that image yet..
of all the girls that I have met..(Ba, ba, ba, ba, ba..)
#3.
           F#m
And now the clock, is still passing time.
              F#m
                        G
