

High Horses
The Swell Season

Intro (**Am** - **Cm9** - **C** - **F**)

Verse 1 : (**Am** - **Cm9** - **C** - **F**)

There s a light inside us all
It only shines as bright as we are
And you ve fallen down so low
I m really worried for you
I m really worried

Chorus : (**Em** - **Am** - **F**)

And even on our worst days we were never quite like this
No

(**Am** - **Cm9** - **C** - **F**) LIGHTLY
We ve gone as far as we can go without crashing
No

Verse 2 : (**Am** - **Cm9** - **C** - **F**)

At the heart of every fool is the hope you re stupid too
And there s this lingering
This lingering feeling that I m missing something
I feel like I m missing something

Chorus : (**Em** - **Am** - **F**)

And even at your worst babe
You were never as bad as this

(**Am** - **Cm9** - **C** - **F**) LIGHTLY
You ve gone as far as you can go without dying

Outro : (**Am** (x6) **F**)
