Fmaj9   **C**
We made a plan that was subject to change
Fmaj9   **E**
So whatever was it works out we both get the blame
Am   **Dm7**   **C**
In the arms of this low
Fmaj9   **Am7**
And you took the wind right out of my sails
Fmaj9   **E**
By sweating me out on all the little details

Am   **Dm7**   **C**
In the arms of this low
D   **Dm7**   **C**
In the arms of this low

Fmaj9   **C**
Thread the light,
Gm6   Famj9
Thread the light,
Dm7   **C**
Thread the light,
Gm6   Famj9
Thread the light,
Dm7   **C**
Thread the light,
Gm6   Famj9
Thread the light,
Dm7   **C**
Thread the light,
Gm6   Famj9
Thread the light,

Famj9   **C**
We made a choice and we knew we would pay
Famj9   **E**
For stealing the joy and trying to escape
Am   **Dm7**   **C**
From the arms of this low
Fmaj9   **C**

And if by some chance you break from the pack
Fmaj   **E**
You know I ll be waiting to welcome you back

Am   **Dm7**   **C**
In the arms of this low
D   **Dm7**   **C**
In the arms of this low

Fmaj9   **C**
Thread the light,
Gm6   Famj9
Thread the light,
Dm7   **C**
Thread the light,
Gm6   Famj9
Thread the light,
Dm7   **C**
Shine the light,
Gm6   **Fmaj9**
Don t hide the light,
Dm7   **C**
Live the light,
Gm6   **Fmaj9**
And give the light,
Dm7   **C**
Seek the light,
Gm6   **Fmaj9**
And speak the light,
Dm7   **C**
Crave the light,
Gm6   **Fmaj9**
And brave the light,
Dm7   **C**
Stare the light,
Gm6   **Fmaj9**
And share the light,
Dm7   **C**
Show the light,
Gm6   **Fmaj9**
And know the light,
Dm7   **C**
Raise the light,
Gm6   **Fmaj9**
And praise the light,
Dm7   **C**
Thread the light,
Gm6   **Fmaj9**
And spread the light.
