

**I Love You Yeah**  
**The Swellers**

This isn't technically The Swellers but it's done by Nick Diener, so it sort of still is them?

It's still a fun song to sing to your lady friend and pretty easy and corny.

I know it's lame but my heart skips a beat  
**C G**  
when your name shows up on my phone  
**C G F**  
And I've never met anyone so sweet.  
**C G**  
You're the greatest I've ever known.  
**F G**  
And to write this song, it didn't take too long.  
**C G F**  
It's easy cuz I love you, yeah I love you, yeah you  
**C G F**  
I blame you when I can't sleep at night.  
**C G**  
You're on my mind all the time.  
**C G F**  
And every year when February comes  
**C G**  
I will have the best Valentine  
**F G**  
In the whole wide world, you're my favorite girl.  
**C G F**  
It's easy cuz I love you, yeah I love you, yeah you.  
**C G F**  
It's easy cuz I love you, yeah I love you, yeah you.  
**C G F**  
It's easy cuz I love you, yeah I love you, yeah you.  
**C G F**  
It's easy cuz I love you, yeah I love you, yeah you.
