

Should
The Swellers

First song from the killer new album

Verse: open chords

D A G G

I gave up

D A G G G G

I know things won t get better

D A G G

Close the door

D A G

Talked about the weather

D A G G

I went home

D A G G G G

You won t wait, forever

D A G G

I ll go first

D A G G G G

We shouldn t be, together

(power chords for this part)

CHORUS:

B B F# D

B B F# D B B F# D

And after all, what did I say?

C C C C C C C C C C C

You should have stayed

(Back to open chords for second verse)

D A G G

I gave up

D A G G G G
I know things won t get better

D A G G
Close the door

D A G G G
Here you me, whatever

(repeat chorus)

(power chords here for bridge)

G G G D A
I can hear my heart under the floor

G G G D A
Beating uncontrollably for more

G G G D A F# F# F# F#
Now I see the light under closed doors I ll let it out

B A
So let it out, let it all out

(SOLO)
