

1904

The Tallest Man On Earth

[Intro]

C F x2

C F Dm G x2

[Verse]

Well some may say it s not even funny

And there you stand not even trying

They say it is in line with the aging

Sometimes noise is just your mind

But the lesson is vague and the lightning

Shows a deer with her mind on the moor

And now something with the sun is just different

Since they shook the earth in 1904

[Instrumental]

C F Dm G

And as I lowered down I hear it s a message

And it s 1902 just telling people to get out

And if there was just a way I could tell them

It s been long but you are right

And the singing is slow and so quiet

Like the sound when you sweep off the floor

And now something with the dirt is just different

Since they shook the earth in 1904

[Instrumental]

C F Dm G x2

[Bridge]
