

Criminals

The Tallest Man On Earth

Open D tuning

Verse 1

[C] There were days when you thought you would just go [Am]under
And the [F]weekends that you never under[G]stood
When you [C]flew from the bar only [Am]seventeen
You didn't [F]bleed and no one ever thought you [G]would

Verse 2

And there were straights and lines and every sort of options
To stay away from broken mirrors in your friends
But the summer was strung with some mighty thread
And no law would never wait around no bend

Chorus

[F]Come see the hiding in [G]rain, come see the stillness in all [C]them ones [Am]
[F]Come see the loveable [G]strain of someone diving for all [C]you know [Am]
[F]Come see the strain of a [G]reeling tribe
[F]Come meet the criminals, [G]of this Napoleon ride

Verse 3

And there were the nights when you thought we would just surrender
To the stories of the miracles of gulls
Oh, When you flew from your sheets where your hours gone
You never sleep and no one ever thought you would

Chorus

Come see the hiding in rain, come see the stillness in all them ones
Come see the loveable strain of someone diving for all you know
Come see the strain of a reeling tribe
Come meet the criminals, of this Napoleon ride

Verse 4

There are illusions and then just not even wanting
To walk around a shiny peak of snow
What a picture that is to be saved for us
and How it's standing like it's just for us to know

Chorus(Variation)

There was a time in my life when I was carried by all of you
Now I run like a man still don't know what I dive into
Come see the strain of a reeling tribe
Come meet the criminals, of this Napoleon ride.
