G7

Well I give you all my rain

C

I give you all my sweet horizons

Cm

In another sense of lame

G

D

I ll have to say, it s just a way

G

To steal tomorrow

Hell, I m guilty of the crime

But like a bird above the Alcatraz

I m whiter than your gown

I ll have to say, it s just a way

To steal tomorrow

C

I will dance and sway

G

While you dream away

C

Bring your curtain down

D

Then I ll burn this town

G

It s just a way to steal tomorrow

Well I ll tell you that I m down

And I will even buy the tickets

Your messiah is in town

I ll have to say, it s just a way

To steal tomorrow

While we re riding on our plane

Well I have bought a special backpack

Just to run away from shame

I ll have to say, it s just a way

To steal tomorrow

I will dance and sway

While you dream away

Bring your curtain down
Then I ll burn this town

Em

It s just a way to steal tomorrow
