

**Tangle In This Trampled Wheat
The Tallest Man On Earth**

This song uses what I think is a pretty unusual tuning (E A D G B D) and on the EP

recording there s a capo on the 5th fret. I m not good enough to tab this precisely, but I figured out the chords and although I m not gonna tab it, the melody on the higher strings is pretty easy to figure out from there. Someone else can take it from here.

Not sure this is what the chord s called but this is how you play it:

D6/F#

d---0---|
b---0---|
g---2---|
D---0---|
A---0---|
E---2---|

Intro

| G C/G | G C/G | D6/F# | | Am | D6/F# | Am | D6/F#

Verse

G C/G G
Been so many days of longing now
Em D6/F#
Why should it ever be this far
Am
Where I get frightened
G D6/F# G C/G D6/F#
I could never gather birds enough to carry round your heart
G C/G G
But I see traces of your thoughts out here
Em D6/F#
I see a sight; I hear a sound
Am G D6/F#
I only comfot in the brittleness of days when
G C/G D6/F#
I can hold what I just found

Chorus

C G D6/F# Em
It s in the untired eyes of the laughing child
C G D6/F#

And the dirtiest sweater he owns

C **G**

Early, sun-warmed pine

D6/F# **Em**

And all those life-like sins

C **G** **D6/F#**

That will pull out the memories to show

I m not leavin alone

G **C/G** **G** **C/G**

I m not leavin alone

Back to the intro, repeat for the next verse and chorus, and that s it.
