[Verse 1]

Ebm	G#	C#	F#
I	m	just a dreamer	but I m hanging on
Ebm	G#	C#	F#
Though	I am	nothing big	to offer
Ebm	G#	C#	F#
I	watch the	birds,	how they dive in then gone
F	F#	G#sus4	G#
It s	like	nothing in this world s	ever still

[Verse 2]

Ebm	G#	C#	F#
And	I m	just a shadow of your	thoughts in me
Ebm	G#	C#	F#
But	sun is	setting,	shadows growing
Ebm	G#	C#	F#
A	long	cast figure	will turn into night
F	F#	G#sus4	G#

It s like nothing in this world ever sleeps

[Chorus]

C# F# G# C#
Oh, sometimes the blues is just a passing bird
Bbm F# G#sus4 G#
And why can t that always be?
C# F# G# C#
Tossing aside from your birches crown
Bbm F# G#sus4 G#
Just enough dark to see

(same as intro)

Ebm G# C# F#

How you re the light over me

Ebm7 G# C# F#

[Verse 3]

Into the strong and stunning meadow

A cowboy stumbling in the finest field
F F# G#sus4 G#
And nothing good out there won t be yours

[Chorus]

C# F# G# C#
Oh, sometimes the blues is just a passing bird
Bbm F# G#sus4 G#
And why can t that always be?

Just enough dark to see
