

**Weather Of A Killing Kind**  
**The Tallest Man On Earth**

Hey guys first tab ever and stoked i got to do this one... should be fairly accurate  
chords wise... i realise he plays with strange tuning but dont want to re- tune  
for every  
song...open to suggestions or changes/addons so here it is

standard tuning  
Capo 5

Intro  
C x4  
Am F C Am F C

C  
Well I see the clouds, I see the shadow  
C Am F G  
It s rainin wolves outside our door  
Am C  
We stand and watch through hesitation  
F G C  
Cause they ll be spread out there forevermore

C  
You said the sun s behind the fallin  
C Am F G  
It s how the creature s heed their paws  
Am C  
And lay their hands on my decisions  
F G C  
And burn right through the books of somber loss

Am F G  
Now there is somethin in the wild  
F G C  
Here is a weather of a killin kind

repeat for remainder of song....

Silently pass their sleeping jaws now  
But I hold cymbals in my hands  
Don t need no score to play this piece, no  
Don t need no violins to lose a man

Now there is somethin in the wild  
Here is a weather of a killin kind

I drink for something when I m nothing  
I drink for nothing when it s gone  
And I feed the clouds, they are my shadow  
Cause I have raised the cubs my self alone

Now there is somethin in the wild  
Here is my weather of a killing kind
