Down River

[Intro]

**D G D G**

[Verse 1]

**D G**

Finally

**D G**

We have seen some things

**Bm A**

Some awfully nice

**C#m Em**

Some dreadfully bad

**D G**

But we will sing

**D G**

Wash the blood, off our knees

**Bm A**

Cause our love breaks

**C#m Em**

Through rough seas, our ship will sail it

[Pre-Chorus]

**D G**

I, don t, understand

**D G**

How this world will work

**Bm A**

Cause time will tell us nothing

**C#m Em**

I ll take a chance on something

[Chorus]

**D D D D (muted)**

feeling old, feelings this time take you

**Bm Bm**

Down river, down river

**A A**

Down river, down

**D D D D (muted)**

walk these stairs, put the pieces back together

**Bm**                    **Bm**  
Go, don t stop, go, don t stop  
**A**                    **G**  
Go, don t stop, go, don t stop  
Now go..

Through violent winds, our ship will sail it

[Pre-Chorus]

**D**                **G**  
I, don t, understand  
          **D**                **G**  
How this world will work

Cause time will tell us nothing  
          **C#m**                **Em**  
I ll take a chance on something

[Chorus]
