

Love Lost
The Temper Trap

Tabbed by ear - Sounds fine to me.

Capo 2

Single strum through the verse.

Am
Our love was lost
F **C**
But now we ve found it
 Am
Our love was lost
F **C**
And hope was gone

 Am
Our love was lost
F **C**
But now we ve found it
 Am
And if you flash your heart
F **C**
I won t deny it

I promise

Am F C (Strumming)
I promise

That is basically it. It sounds like a 3 chord bash through most of it to me.
Try it for yourselves.
If you find anything better feel free to correct me.
