

Love Lost
The Temper Trap

Tabbed by ear - Sounds fine to me.

Capo 2

Single strum through the verse.

Our love was lost **Am**
F But now we ve found it **C**
Our love was lost **Am**
F And hope was gone **C**
Our love was lost **Am**
F But now we ve found it **C**
And if you flash your heart **Am**
F I won t deny it **C**

I promise

Am F C (Strumming)
I promise

That is basically it. It sounds like a 3 chord bash through most of it to me.
Try it for yourselves.
If you find anything better feel free to correct me.
