

Need Your Love
The Temper Trap

INTRO

C F Am

C C
the road is pulling me into an open where
G G
and for a moment i escape and i forget
F Am
the silhouettes behind the dust clouds call me friend
G G
but even fools know here they re far a few between
C C
she has abandoned me oh highway and desert blades
G G
all lonely creatures singing for he summer rain
F Am
and at the end of all your knees fall down to me
G G
yeah it s something in you always just for someone real

C C F
oh i need your love, i need your love,
Am
i need you now, i need you
C C F
oh i need your love, i need your love,
Am
i need you now, i need you

C C
she is my salvation in the dark
G G
but at night with lips of honey calls the devil s heart
F Am
and i am a war of flesh and heart that s left undone
G F
between the person that i was and have become

C C F
oh i need your love, i need your love,
Am
i need you now, i need you
C C F
oh i need your love, i need your love,

Am

i need you now, i need you

i need your love
