

The Sea Is Calling
The Temper Trap

Verse 1:

Bm **F#m** **Em** **F#m**
At night when it s quiet and the waves come rolling in,
Bm **F#m** **Em** **F#m**
The merchant ship s light paints the dark as we sing
Bm **F#m** **Em** **F#m**
The one who is great, who but words cannot be seen
Bm **F#m** **Em** **F#m**
When all left is love, there will be no in between

Chorus:

Bm **F#m** **G**
Tucked in the corner of Earth
G **F#m** **Bm**
Naked in light we are born
Bm **F#m** **G**
Oh, can you hear the sea calling?
G **F#m** **Bm**
Calling us into the world

Verse 2:

Bm **F#m** **Em** **F#m**
A distance from grace, we shall toil with our days
Bm **F#m** **Em** **F#m**
And take on the dirt that has rendered us as slaves
Bm **F#m** **Em** **F#m**
Our mothers will cry, is there something in the sky?
Bm **F#m** **Em** **F#m**
We know we are present here, but may never know why

Chorus 4x:

Bm **F#m** **G**
Tucked in the corner of Earth
G **F#m** **Bm**
Naked in light we are born
Bm **F#m** **G**
Oh, can you hear the sea calling?
G **F#m** **Bm**
Calling us into the world
Bm **F#m** **G**
Tucked in the corner of Earth
G **F#m** **Bm**
Naked in light we are born
Bm **F#m** **G**
Oh, can you hear the sea calling?
G **F#m** **Bm**
Calling us into the world

Bm **F#m** **G**
Tucked in the corner of Earth
G **F#m** **Bm**
Naked in light we are born
Bm **F#m** **G**
Oh, can you hear the sea calling?
G **F#m** **Bm**
Calling us into the world
Bm **F#m** **G**
Tucked in the corner of Earth
G **F#m** **Bm**
Naked in light we are born
Bm **F#m** **G**
Oh, can you hear the sea calling?
G **F#m** **Bm**
Calling us into the world
