

Where Do We Go From Here The Temper Trap

Intro:

C

Verse:

F

A pretty picture
paints a thousand words

C

I looked at yours today

F

It's been awhile
The dust has long set in

C

but you still look the same

F

So where do we go from here, where do we go from here,

C

F where do we go from here, where do we go from here.

C

Chorus:

Am

Years

F

Have gone

Dm

C

And time has healed

Verse:

F

Your words were casual
But longing for

C

For me or someone else

F

What could've driven you
To think of all

C

I had let go with much tears

F

So where do we go from here, where do we go from here

C

F How do I know what's real. Where do we go from here?

C

Chorus:

Am

Years

F

Have gone

Dm C

And time has healed

Am F

But tell me now

Dm C

Just how to feel (Just how to feel)

Interlude:

Am F Dm

C

Where do we go

When all the roads have ended

Now where do we go

So many chances passed

F

Us by

Where do we go

Dm

Why now when I have buried all the broken bones

How can I let you in again

Am

Where do we go from here

F

Where do we go from here

x 2

Dm

Where do we go from

C

Where do we go from here

Am F Dm F C

From here
