

The Wonders Weve Seen
The Temperance Movement

[Intro]

C#m E A E B

[Verse 1]

C#m

Come

E

Let s not go home

A

E

B

Let us run out into the night

C#m

E

For all the wonders we ve seen

A

In truth or in dreams

E

B

We ll vanish from sight

[Pre-Chorus]

A

If anybody ever tells you that it s all for nought

F#m

If anybody ever tells you that you re all alone

[Chorus]

E D A A/G# E

Take my broken hand and stand up beside me now

E D A A/G# E

Grab all that you can and I ll run beside you now

[Verse 2]

C#m E

You, you look just like me

A

When I was so free

E

B

Before I could know

C#m

E

The shocks that fry through your nerves

A

In spirals and curves

E

B

The highs and the lows

[Pre-Chorus]

A

If anybody ever tells you that it s all for nought

[Chorus]

E **D** **A** **A/G#** **E**

Take my broken hand and stand up beside me now

E **D** **A** **A/G#** **E**

Grab all that you can and I ll run beside you now

[Bridge]

C#m

And everything change again and again

A

But I won t throw you under

F#m

I m waiting at the gate until I see your legs running

D

No matter the reason I will be there for you

A

I will be there for you soon

[Chorus]

E **D** **A** **A/G#** **E**

Take my broken hand and stand up beside me now

E **D** **A** **A/G#** **E**

Grab all that you can and I ll run beside you now

[Outro]

E

Yes it s your time now

D

Whole world is yours now

A

You are my pride

E

You are my pride

E

Yes it s your time now

D

Whole world is yours now

A

E

You are my pride
