Uncertain Smile (The The)

|: **B F# A E** :|

Peeling the skin back from my eyes  
I felt surprised  
That the time on the clock was the time  
I usually retired  
To the place where I cleared my head of you  
But just for today  
I think I lie here and dream of you

I ve got you under my skin where the rain can t get in  
But if the sweat pours out, just shout  
I ll try to swim and pull you out

A howling wind that blows the litter as the rain flows  
As street lamps pour orange coloured shapes  
Through your windows  
A broken soul stares from a pair of watering eyes  
Uncertain emotions force an uncertain smile
