

Back To Gray Acoustic
The Thermals

C **Em**
Hail Mary, heaven willing
Am **F**
Let a blanket, cover everything
C **Em**
hold us high, hold a sigh
Am **F**
mother don t let us die before the springtime
C **Em** **Am**
I don t need any love, cause I ve got the elements
F
Electric light, electric license
F
I can add it all up one plus one

(Repeat verse 1, but replace the last F with a G)

Em **C**
Your face fits in the frame so
Em **C**
Like your footprints in the fake snow
F **C**
Sky sight now, a strobe light
G
Black to white and black to white and black to white and back to grey again

(repeat until ..back to grey again)

G **Em** **D**
If you do not mind I will not stay
C
If you can climb I will find a way
G **Em** **D**
If you do not mind I will not stay
C
If you can climb I will find a way
G **Em**
Hail Mary, Heaven willing
D **C**
Let a blanket cover everything
G
I can add it all up one plus one
