

Back To Gray Acoustic
The Thermals

C# **Fm**
Hail Mary, heaven willing
Bbm **F#**
Let a blanket, cover everything
C# **Fm**
hold us high, hold a sigh
Bbm **F#**
mother don t let us die before the springtime
C# **Fm** **Bbm**
I don t need any love, cause I ve got the elements
F#
Electric light, electric license
F#
I can add it all up one plus one

(Repeat verse 1, but replace the last F with a G)

Fm **C#**
Your face fits in the frame so
Fm **C#**
Like your footprints in the fake snow
F# **C#**
Sky sight now, a strobe light
G#
Black to white and black to white and black to white and back to grey again

(repeat until ..back to grey again)

G# **Fm** **Eb**
If you do not mind I will not stay
 C#
If you can climb I will find a way
G# **Fm** **Eb**
If you do not mind I will not stay
 C#
If you can climb I will find a way
G# **Fm**
Hail Mary, Heaven willing
Eb **C#**
Let a blanket cover everything
G#
I can add it all up one plus one
