

Back To Gray Acoustic
The Thermals

B **Ebm**
Hail Mary, heaven willing
G#m **E**
Let a blanket, cover everything
B **Ebm**
hold us high, hold a sigh
G#m **E**
mother don t let us die before the springtime
B **Ebm** **G#m**
I don t need any love, cause I ve got the elements
E
Electric light, electric license
E
I can add it all up one plus one

(Repeat verse 1, but replace the last F with a G)

Ebm **B**
Your face fits in the frame so
Ebm **B**
Like your footprints in the fake snow
E **B**
Sky sight now, a strobe light
F#
Black to white and black to white and black to white and back to grey again

(repeat until ..back to grey again)

F# **Ebm** **C#**
If you do not mind I will not stay
B
If you can climb I will find a way
F# **Ebm** **C#**
If you do not mind I will not stay
B
If you can climb I will find a way
F# **Ebm**
Hail Mary, Heaven willing
C# **B**
Let a blanket cover everything
F#
I can add it all up one plus one
