

Back To Gray Acoustic
The Thermals

D **F#m**
Hail Mary, heaven willing
Bm **G**
Let a blanket, cover everything
D **F#m**
hold us high, hold a sigh
Bm **G**
mother don t let us die before the springtime
D **F#m** **Bm**
I don t need any love, cause I ve got the elements
G
Electric light, electric license
G
I can add it all up one plus one

(Repeat verse 1, but replace the last F with a G)

F#m **D**
Your face fits in the frame so
F#m **D**
Like your footprints in the fake snow
G **D**
Sky sight now, a strobe light
A
Black to white and black to white and black to white and back to grey again

(repeat until ..back to grey again)

A **F#m** **E**
If you do not mind I will not stay
D
If you can climb I will find a way
A **F#m** **E**
If you do not mind I will not stay
D
If you can climb I will find a way
A **F#m**
Hail Mary, Heaven willing
E **D**
Let a blanket cover everything
A
I can add it all up one plus one
