

Born To Kill
The Thermals

I guess they actually play powerchords, but this version works too.

G C G Em
I was born to kill, I was made to slay unafraid to spill
Am C G D
Blood on the land, When you command I will
G C G Em
I am locked to fate, locked to the lives I take
Am C G D
I will never be done, Iâ€™ll always be hungry

Am D Bm Em
And each final breath I breathe, burns a bright fire inside of me
C Em D
And it keeps me alive, it keeps me alive

G C G Em
I was born to kill, I was made to slay unafraid to feel
Am C G D
Blood on my hands, When you command I will
G C G Em
I am locked to joy, locked to the lives I destroy
Am C G D
I will never be dry, Iâ€™ll never be satisfied

Am D Bm Em
And each final breath I breathe, burns a bright fire inside of me
C Em D
And it keeps me alive, it keeps me alive

Em C
Till the day in the dirt I lie
Bm G
Till my ashes scatter in the sea
Em C Bm
I will not be denied my destiny

G C G Em
I was born to kill, I was made to slay unafraid to spill
Am C G Em
Blood on the land, When you command I will
Am C G

Born to kill When you command I will
