

Born To Kill
The Thermals

I guess they actually play powerchords, but this version works too.

A D A F#m
I was born to kill, I was made to slay unafraid to spill

Bm D A E
Blood on the land, When you command I will

A D A F#m
I am locked to fate, locked to the lives I take

Bm D A E
I will never be done, Iâ€™ll always be hungry

Bm E C#m F#m
And each final breath I breathe, burns a bright fire inside of me

D F#m E
And it keeps me alive, it keeps me alive

A D A F#m
I was born to kill, I was made to slay unafraid to feel

Bm D A E
Blood on my hands, When you command I will

A D A F#m
I am locked to joy, locked to the lives I destroy

Bm D A E
I will never be dry, Iâ€™ll never be satisfied

Bm E C#m F#m
And each final breath I breathe, burns a bright fire inside of me

D F#m E
And it keeps me alive, it keeps me alive

F#m D
Till the day in the dirt I lie

C#m A
Till my ashes scatter in the sea

F#m D C#m
I will not be denied my destiny

A D A F#m
I was born to kill, I was made to slay unafraid to spill

Bm D A F#m
Blood on the land, When you command I will

Born to kill When you command I will
