

Thats Inertia
The Thermals

That s Inertia by Hutch and Kathy of The Thermals

This other extremely catchy and rare song is from the Take-Away show that Hutch and Kathy put on. I discovered the video for it on youtube and knew I needed to work the song out so I could play it. These chords should get you through it well enough. Listen to the song for the fine-tuning. Enjoy!

Intro **F Bb C Bb**

(repeat for a while then after the pattern go to Dm then a short Bb and start the first verse. Listen to the song and youâ€™ll get it)

F

When Iâ€™m in motion

C

I stay in motion

Bb

Thatâ€™s inertia

When Iâ€™m in motion

I just stay in motion

Thatâ€™s inertia

F

When I see the rain

A

I donâ€™t complain

Dm

I just keep rowing

Bb

I just keep going

F

C

Thatâ€™s inertia

Dm

Bb

Oh baby thatâ€™s inertia

F

(sing with me)

Oooh

C

You keep me up

Dm

You hold me down

When I do nothing
Well I just do nothing
Cause that's inertia

When I do nothing
I stay doing nothing
That's inertia

When I see the rain
I just close the shades
I won't go outside
Won't even open my eyes
Cause that's inertia

(sing with me)
Oooh
You keep me up
You hold me down

Bridge:

Bb **A**

I'll keep energy

Bb **A**

Store it inside of me

Bb **C**

And once I start I'm hard to stop

Solo (intro chords)

When I'm in motion
I stay in motion
That's inertia

When I'm in motion
I stay in motion
That's inertia

When I see your face
I wanna stay in one place
Your touch is so soothing
But I gotta keep moving
That's inertia
Oh baby that's inertia

(sing with me)
Oooh
You keep me up
You hold me down

Oh inertia
You keep me up
You hold me down
(sing with me)
Oooh
You keep me up
You hold me down
Thatâ€™s inertia
Thatâ€™s inertia
Thatâ€™s inertia
