

**Big Sur**  
**The Thrills**

I stole the lyrics from a previous tab by Chris (thanks, hope you don't mind) and slightly changed some of the chords.

intro    Cm Bb Cm Bb

Verse 1:

**Eb**                      **Gm**        **Cm**  
So much for the city, tell me that you'll dance to the end  
         **Eb**                                      **Gm**  
Just tell me that you'll dance to the end  
**Eb**                      **Gm**              **Cm**  
Hey hey you're the monkeys, people said you monkeyed around,  
         **Eb**                                      **Gm**  
But nobody's listening now.

Chorus:

**Bb**                      **Eb**                      **Cm**        **F** **Dm**                      **Gm**        **Dm**                      **Gm**  
Just don't go back to big sur, hanging around letting your old man down  
**Bb**                      **Eb**                      **Cm**              **F**                                      **Eb**  
Just don't go back to big sur, baby baby please don't go  
**F**  
Baby please don't go.

Verse 2:

**Eb**                      **Gm**                                      **Cm**  
So much for the street lights, they're never gonna guide you home  
         **Eb**                                      **Gm**  
No they're never gonna guide you home  
**Eb**                      **Gm**                      **Cm**  
Down at the steam boat show, all the kids start spittin'  
**Eb**    **Gm**  
I guess it didn't live up to the billing.

Chorus:

**Bb**                      **Eb**                      **Cm**        **F** **Dm**                      **Gm**        **Dm**                      **Gm**  
Just don't go back to big sur, hanging around, letting your old man down  
**Bb**                      **Eb**                      **Cm**              **F**                                      **Eb**  
Just don't go back to big sur, baby baby please don't go  
**F**    **Bb**  
Baby baby please don't go.
