

And everybody had a fighting chance

C **Am** **Em**
Cos I ve spent years looking back
 F **Dm**
Got me nowhere got me nowhere
 F **Dm**
While the wind caught your hair
 F **Dm**
Yes the wind caught your hair
F **G**
Do do do do do do....

F **G**
Can t you see that?
C **Am** **Em**
Darling no more empty words
F **Dm**
They re just hurtful and misleading
F **G**
Can t you see that?

F **G**
Can t you see that?
C **Am** **Em**
Darling no more empty words
F **Dm**
They re just hurtful and misleading
F **G**
Can t you see that?

F **G**
Do do do do do do....

(you can do the next verse the same way, C Am Em, F, Dm - but if i remember it right, it should be a little higher in the original song? i couldn t be bothered to look for the correct chords, so i just play the C Am Em etc., but if anyone has any ideas on the actual chords, let me know, i ll fix it :))

Someday I ll rise up again and try to make something in my life
It s not too late
Darling no more empty words
They re just hurtful and misleading
Can t you see that?
