

## No More Empty Words The Thrills

This is my first ever tab, so please don't be harsh on me if something's not right.

There was no tab for this, so I decided to tab this myself.. and since there still isn't

any, I decided to post this as well, maybe someone will find it useful :)

**C#                    Bbm                    Fm                    F#                    Ebm**

You don't need to be afraid those hesitations of the past

**C#                    Bbm                    Fm                    F#**

**Ebm**

Your best selling paperback, the ugly duckling has the last laugh

**F#                    Ebm                    C#**

Everybody's got a fighting chance

**C#                    Bbm                    Fm**

Cos I've spent years looking back

**F#                    Ebm**

Got me nowhere got me nowhere

**F#                    Ebm**

While the wind caught your hair

**F#                    Ebm**

Yes the wind caught your hair

**F#                    G#**

Do do do do do do....

**C#                    Bbm                    Fm**

Darling no more empty words

**F#                    Ebm**

They're just hurtful and misleading

**F#                    G#**

Can't you see that?

**C#                    Bbm                    Fm**

Darling no more empty words

**F#                    Ebm**

They're just hurtful and misleading

**F#                    G#**

Can't you see that?

**C#                    Bbm                    Fm                    F#**

**Ebm**

So you threw it all away, but you're worth the whole damn lot of them

**C#                    Bbm                    Fm                    F#**

**Ebm**

But this morning something changed, I saw my life stretched over plains

**F#                    Ebm                    C#**

And everybody had a fighting chance

**C#**                      **Bbm**                      **Fm**

Can t you see that?

**F#**                      **G#**  
Do do do do do do....

(you can do the next verse the same way, C Am Em, F, Dm - but if i remember it right, it should be a little higher in the original song? i couldn t be bothered to look for the correct chords, so i just play the C Am Em etc., but if anyone has any ideas on the actual chords, let me know, i ll fix it :) )

Someday I ll rise up again and try to make something in my life  
It s not too late  
Darling no more empty words  
They re just hurtful and misleading  
Can t you see that?
