The Tiger Lillies

Tiger Lillies - Boatman

Em

The boatman sits on his boat by the river

Am

Try as he might, he cannot forgive her

Em

As he watches the corpse turning blue

B

He laughs

Em

The boatman he sits on his boat by the river

Am

Another grey corpse he pulls out before dinner

Em

Another sad life, another sad time

B

And he laughs

Em

The boatman he sits on his boat by the river

Am

No name and address when he does deliver

Em

The old ones, the worst ones, they tried and they failed

B

He laughs

Em

And the odor and stench they once made him retch

Am

Well now he just sees them as mortal flesh

Em

And he laughs

B

Yes he laughs

Em

Yes he laughs

Am

Yes he laughs

Em

Yes he laughs

Am

Yes he laughs
