G
I know it is nothing

Em
Nothing at all

Em
I know I m another

C#
Brick in the wall

I know that I m doomed
Like everyone else
My life will be up
My life on the shelf

You know I ve been round
Been round the block
I ve seen lots of men
And not much me shocks

I know it is nothing
Nothing at all
I know I m another
Brick in the wall

But oh my Prince
You will see
Innocent I can t still be

Tria-mine
Oh tria-me
With my tears
I water thee

I know it is nothing
Nothing at all
I know I m another
Brick in the Wall

Oh my mother
I will cry
Then I ll listen
To the lie

I know that soon
My life will end
This crack whore
Will not pretend

They can all
Abuse me
But one day soon
I will be free

Up in heaven
In the sky
Then I no longer
Will cry

But oh my Prince
You will see
Innocent I can t still be

Tria-mine
Oh tria-me
With my tears
I water thee

I know it is nothing
Nothing at all
I know I m another
Brick in the wall
