**The Tiger Lillies**

Tiger Lillies - Cancer

**G**

Uncle Bill and auntie Mary

**G**

Always used to shout

**G**

And uncle Bill would knock

**G**

Auntie Mary about

**C**

With auntie Mary

**C**

In such misery

**G**

I always thought that cancer

**Am**

**G**

Was like the cavalry

**G**

When cancer cut Bill down

**G**

They said what a crying shame

**G**

Well I never thought so

**G**

And Mary did the same

**C**

Letâ€™s face it Bill

**C**

You were a bastard through and through

**G**

So when that cancer cut him down

**Am**

**G**

I did not feel blue

**G**

Cancer cancer itâ€™s so good for you

**G**

Cancer cancer itâ€™s so good for you

**C**

Cancer it will set you free

**G**

**Am**

**G**

The big C was like the cavalry

**G**

When he was on his deathbed  
**G**  
 One day for a joke  
**G**  
 Me and auntie Mary  
**G**  
 Fun at him we d poke  
**C**  
 As he lay there  
**C**  
 In his abject pain  
**G**  
 Me and auntie Mary  
**Am** **G**  
 We sung him this refrain  
  
**G**  
 Cancer cancer itâ€™s so good for you  
**G**  
 Cancer cancer itâ€™s so good for you  
**C**  
 Cancer it will set you free  
**G** **Am** **G**  
 The big C was like the cavalry  
  
**G**  
 When he died  
**G**  
 Later that same day  
**G**  
 Me and auntie Mary  
**G**  
 For him didnâ€™t pray  
**C**  
 But sometimes on a winterâ€™s night  
**C**  
 Though he has been long gone  
**G**  
 Me and auntie Mary  
**Am** **G**  
 Still sing him this song  
  
**G**  
 Cancer cancer itâ€™s so good for you  
**G**  
 Cancer cancer itâ€™s so good for you  
**C**  
 Cancer it will set you free  
**G** **Am** **G**  
 The big C was like the cavalry
