The Tiger Lillies

Tiger Lillies - Clown

Bm **E**
My whole life it is misery
Bm **E**
My whole life it is grief
Bm **E**
The face-paint it just hides my soul
Bm **E**
My life is a deceit

Am **Dm**
My makeup lies redundant now
Am **Dm**
Between my canvas walls
Am **Dm**
The lip rouge and the face-paint
Am **Dm**
Are no longer on call

Am **Dm**
And my photographs
Am **Dm**
They re all fading fast
Am **Dm**
The children are all adults now
Am **Dm**
And their memories did not last

Am **Dm**
Well, no one really laughed at me
Am **Dm**
Just a clown who is now dead
Am **Dm**
And my suicide, my suicide,
Am **Dm**
My suicide note read:

Bm **E**
My life it was a misery
Bm **E**
My life it was all grief
Bm **E**
And the face-paint hides my soul
Bm **E**
My life is a deceit

Am **Dm**
Well, the blood has darkened now

Am **Dm**
Upon my suicide note

Am **Dm**
And I lie in my paupers grave

Am **Dm**
Along with my cut throat

Bm **E**
And my whole life it was misery

Bm **E**
And my whole life it was grief

Bm **E**
And the face-paint it just hides my soul

Bm **E** **Am**
My whole life was a deceit
