Tiger Lillies - Rapist

E
She worked in a brothel
E
From the age of 13
E
She never made much money
E
Her pimp her purse would clean

E
She worked in that brothel
E
And in that brothel she was raped
E
And the rapist had HIV
E
That s what I call a bad break

A F G E
And the HIV it turned to AIDS
F E
And the rapist, the rapist, the rapist, the rapist got away

E
So for her funeral she had to pay
E
And all her so-called friends
E
They all stayed away

A F G E
And the HIV it turned to AIDS
F E
And the rapist, rapist, rapist, rapist, rapist, rapist,
F E
rapist, rapist, rapist, rapist, rapist, rapist got away
