Sick - Tiger Lillies

Am

You know I love you oh my darling

Dm

you know I love to tell you it

E

You know Iâ€™d die for you my sweetheart

Am

I hesitate to stir the shit

Am

I know youâ€™re kind I know youâ€™re generous

Dm

and on your shoulder thereâ€™s no chip

E

Its just a small thing oh my darling

Am

your very presence makes me sick

Am

And your compassion is unequalled

Dm

Iâ€™m worthy not your boots to lick

E

You are an angel pure and simple

Am

for your presence Iâ€™m not fit

Am

You really do deserve a husband

Dm

Caring, young and kind and rich

E

Its just a small thing oh my darling

Am

Your very presence makes me sick

Am

Youâ€™re so witty and so charming

Dm

you put to shame those country hicks

E

Itâ€™s just a small thing oh my darling

Am

your very presence makes me sick
