The Tiger Lillies

Tiger Lillies - Souvenirs

Am **E**
He s been around the world
Dm **Am**
And much of it was queer
Dm **Am**
He got a nasty little rash
Dm **E**
from a brothel in Tangiers.
Dm **Am**
A knife it missed his artery
Dm **Am**
in a harem in Algiers
Dm **Am**
And from a whore in Rotterdam
Dm **E**
he got Gonorrhoea.

F **C**
Now he works the fairground,
F **C**
looks back on his career
F **C**
And anyone who s interested
F
he shows his,
F
shows his,
E
souvenirs, souvenirs.

Am **E**
He lost a finger and an arm
Dm **Am**
to a grenadier
Dm **Am**
He lost an eye in Africa
Dm **E**
to a bushman s spear.
Dm **Am**
He s been in wicked storms
Dm **Am**
on all the seven seas
Dm **Am**
He s had scurvy and the plague
Dm **E**

and tropical disease.

F **C**
Now he works the fairground,

F **C**
looks back on his career

F **C**
And anyone who s interested

F
he shows his,

F
shows his,

E
souvenirs, souvenirs.
