The Tiger Lillies Tiger Lillies - Terrible Dm On Mondays murder children, Α little girls and boys А I put my hands around their throats Dm till they don t make a noise Dm Tuesdays torture animals, А pull off small birds wings Α Watch them as they bleed to death, Dm then they don t sing Dm Wednesdays I defecate Α on a priest s front door Α If the priest he does complain, Dm I just do it some more Dm Thursdays I Molatov Α the local orphans home Α Love those little orphans, Dm charred unto the bone Dm

I m terrible, terrible, A shouldn t be allowed A To sing my songs of filth Dm to a decent crowd

Dm

On Fridays sodomise

Α tender virgin nuns Α Tie them up, lear at them, Dm and then I have my fun Dm Saturdays I stand and sing my Α sad, sad, sick, sick songs Α To anyone who listens, Dm who in the head is wrong Dm Sundays, Sundays, Α the day I love the best Α I rape, murder and pillage Dm while other people rest

Dm

I m terrible, terrible, A shouldn t be allowed A To sing my songs of filth Dm to a decent crowd

Dm

I m terrible, terrible, A shouldn t be allowed A But when I do offend someone Dm A Dm it makes me feel so proud
