Tiger Lillies - Tiger Lillie Line

**G** **C**  
Things are getting hard now,  
**G** **C**  
Getting hard to find.  
**G** **C**  
Your livers piccalilli,  
**G** **C**  
Your kidneys are unkind.  
**G** **C**  
Wake up every morning,  
**G** **C**  
You d lie if you felt fine,  
**G** **C**  
Stick you fingers down your throat now,  
**G** **C**  
nihilistically inclined.  
**Am** **D** **G** **C**  
That s the Tiger Lillie line.

**G** **C**  
You re hungry for the glory,  
**G** **C**  
On the radio you d mime.  
**G** **C**  
The alcohol consumes you,  
**G** **C**  
Piccalilli is your mind.  
**G** **C**  
They re feasting at the table,  
**G** **C**  
But only scraps and crumbs you find.  
**G** **C**  
You re angry and you re bitter,  
**G** **C**  
Your hat is full of dimes  
**Am** **D** **G** **C**  
Well that s the Tiger Lillie line

**G** **C**  
You wake up every morning  
**G** **C**  
When the clock forgets to chime  
**G** **C**  
You go to sleep each evening,  
**G** **C**

With the whiskey and the wine

**Am**            **D**                            **G**   **C**    **G**    **C**
