The Tiger Lillies

Tiger Lillies - Tiger Lillie Line

G **C**
Things are getting hard now,
G **C**
Getting hard to find.
G **C**
Your livers piccalilli,
G **C**
Your kidneys are unkind.
G **C**
Wake up every morning,
G **C**
You d lie if you felt fine,
G **C**
Stick you fingers down your throat now,
G **C**
nihilistically inclined.
Am **D** **G** **C**
That s the Tiger Lillie line.

G **C**
You re hungry for the glory,
G **C**
On the radio you d mime.
G **C**
The alcohol consumes you,
G **C**
Piccalilli is your mind.
G **C**
They re feasting at the table,
G **C**
But only scraps and crumbs you find.
G **C**
You re angry and you re bitter,
G **C**
Your hat is full of dimes
Am **D** **G** **C**
Well that s the Tiger Lillie line

G **C**
You wake up every morning
G **C**
When the clock forgets to chime
G **C**
You go to sleep each evening,
G **C**

With the whiskey and the wine

Am **D** **G** **C** **G** **C**

That s the Tiger Lillie line

Am **D** **G** **C** **G** **C**

That s the Tiger Lillie line

Am **D** **G** **C** **G**

That s the Tiger Lillie line

C **G** **C** **G...**
