

**Wake Up**  
**The Tiger Lillies**

Tiger Lillies - Wake Up

(C, Am, Dm, G in a constant rhythm all the way through the song)

**C Am Dm G**  
Vilification of what you said  
**C Am Dm G**  
Now all the roses are almost dead  
**C Am Dm G**  
Vilification of times gone by  
**C Am Dm G**  
Itâ€™s funny how we sometimes cry  
**C Am D G**  
One day weâ€™ll wake up  
**C Am D G**  
One day weâ€™ll wake up  
**C Am Dm G**  
Complications along the way  
**C Am Dm G**  
Make our bodies want to stray  
**C Am Dm G**  
Hallelujah is on our side  
**C Am Dm G**  
Itâ€™s funny how the purity has died  
**C Am Dm G**  
One day weâ€™ll wake up  
**C Am Dm G**  
One day weâ€™ll wake up  
**C Am D G**  
Well I donâ€™t know if this is the beginning or the end  
**C Am Dm G**  
I donâ€™t know if youâ€™re my enemy or my friend  
**C Am Dm G**  
I donâ€™t know if youâ€™re good or bad  
**C Am Dm G**  
I donâ€™t know if youâ€™re happy or sad  
**C Am Dm G**  
One day youâ€™ll wake up  
**C Am Dm G**  
I said one day youâ€™ll wake up  
**C Am Dm G**  
One day youâ€™ll wake up  
**C Am Dm G**  
One day weâ€™ll wake up
