Three Sides to Every Story <http://thetimejumpers.com/wired/>

Capo On 3rd Fret

C **F** **G**
It s shaping up to be a real bad day
C **F** **G** **G7**
Oh, it s over and there s nothing left to say
F **G**
Oh I know you think it s my fault
C **F**
And I ll put the blame on youth
F **C**
But there s three sides to every story
F **G** **C**
Your side, my side and the truth

C **F** **G**
I ll wake up without you by my side
C **F** **G**
But you cheated and so many times I lied
F **C**
Oh you ll always say I m guilty
C **F**
And I ll let pride be my excuse
F **C**
There s three sides to every story
F **G** **C**
Your side, my side and the truth

Bridge

F
Oh, we both believe we re right
C
As right can be
D **D7**
Oh but running from the truth
G **G7**
brought on this mis ry
F **G**
Someday we ll both admit it
C **F**
It was all because of you
F **C**

There s three sides to every story

F **G** **C**

Your side, my side, and the truth

Repeat

Oh, we both believe we re right

As right can be

Oh but running from the truth

brought on this mis ry

Someday we ll both admit it

It was all because of youth

There s three sides to every story

F **G** **Am D7**

Your side, my side, and the truth

F **G** **C**

Ooh, your side, my side, and the truth
