You do it all again but you don t stop trying

Oh

I m doing this for you because it s easier to lose
And it s hard to face the truth when you think you re dying
It s part not giving in And part trusting your friends
You do it all again but you don t stop trying

Gotta let your body down the only way that you know

Oh, woh oh

Oh woh Oh ohh

Standing in the way of control we live our lives
Because we re standing in the way of control we will live our lives
Because we re standing in the way of control we live our lives
Because we re standing in the way of control we will live our lives
I got the power, I got the power,
I got the power, I got the power,

Oh woh Oh ohh

Oh woh Oh ohh

I got the power
