The Tiny

The Tiny - Closer

Dm **F**

Now I'm thinking maybe, I was stoned

C **A**

I felt my feet lift off the ground

Dm

And my heart was screaming

F

At my bones

Bb

I need you closer

Dm **F**

As he's in the middle of the street

C **A**

Then I pretend he is mine to keep

Dm

Cars are running fast on both sides

F

of his head, his eyes say

Bb **Dm** **Bb**

Closer closer closer

Dm

I met him when the sun was down

F

The bar was closed

C **A**

We both have had no sleep

Dm

My face beneath the street lamp

F **C** **Bb**

it reveals what it is lonely people seek

Dm **Bb**

Closer closer

Dm **Bb** **G**

Closer closer

F **Bb**

And you're close enough to lose

Dm **Bb** **C**

Close to the point, to where you know that your mind,

Bb

it cannot choose

F **Bb**

Close enough to lose.

Dm **C**

Close enough

Bb **C**

to lose your heart

Dm **F**

to lose your heart.
