Tabbed by Michael Kang

[Verse]

C **G**
I pretended I m glad you went away
Am **G**
These four walls closing more every day
F **G** **C**
And I m dyin inside , and nobody knows it but me

C **G**
Like a clown I put on a show
Am **G**
The pain is real even if nobody knows
F **G** **C**
And I m crying inside , and nobody knows it but me
Am **G**
Why didn t I say -- the things I needed to say?
F **G**
How could I let my angel get away?
Am **G**
Now my world is just -- a tumblin down
F
I can say it so clearly , but your nowhere around

(chorus)

C **G**
The nights are lonely , the days are so sad. --And
Am **G**
I just keep thinkin about love that we had

C **G**
I carry a smile when I m broken in two
Am **G**
And I m nobody without someone like you
F **G** **C**
I m tremblin inside , And nobodys knows it but me

 I lie awake , It s a quarter past three
Am **G**
 I m screamin at night if I thought you d here me

F **G** **C**
 Yeah , my heart is calling you and nobody knows it but me
Am **G**
 How blue could I get? You could ask my heart
F **G**
 But like a jigsaw puzzle its been torn all apart

 Million words couldn t say just how I feel

 A million years from now you know I ll be lovin you still
