#####Please Note#####
This is my own interpretation of the song

Intro: **C F - C F - C**

G

And there will be angels for you to see...

C

Ones that will love you if you love them or not

G

And you won't rely on fantasy,

C

G

C

You'll be strong enough to be.

G

And they'll sing for you when you don't want to hear

C

And they'll carry you when you don't want to stand

G

And they'll be there when you don't want to be

C

G

C

And you won't rely on fantasy or fairies

C F - C F - C

G

C

May you never be alone, May you never feel cold,

G

C

May you be strong and evade, the cold grip of misery...

G

C

May you sleep warm at night, May your eyes see bright,

G

C

G

C

May you reflect what you've seen from your own light...

C

F

A rose for you my darling, May you always stay the same,

F

I've never laid eyes on your equal -

C

That's why I'm so anxious to see you again...

C

You mean something to me, you know... it,

F

To a million other people too...

F

I always try to keep the company of angels,

C

But I d rather sit down here with you...

C

A rose for you my darling, If you change then I ll know it was you...

F

F

And I ll always know that your an angel,

C

And maybe I m lucky to be here with you...

C F - C F - C x s many

End
