Additional lyrics:

We re forced to bed  
but we re free to dream  
all us human extras,  
all us herded beings  
and after a glimpse  
over the top  
the rest of the world  
becomes a gift shop.

I don t know what to believe.  
Sometimes I even forget  
and if its a lie,  
terrorists made me say it  
the beautiful lull,  
the dangerous tug  
we get to fell small  
from high up above  
from high up above
