**A** **D** **Dsus2** **Dsus2/E**  
You know the reasons I can t conceal  
**D** **Dsus2** **Dsus2/E**  
You know I m leaving you obviously you know how I feel  
**D** **Dsus2** **A**  
It s not as easy as calling out your name when I m down  
**Dsus2/E** **D** **Dsus2** **Dsus2/E**  
It s not a matter for wrong or right  
**D** **Dsus2** **Dsus2/E**  
It ain t much better than drinking and looking to fight  
**D** **Dsus2** **A**  
You know I m tired of crawling hing my name among the crowd

CHORUS:

**D** **A**  
I m on the last american exit to the northland  
**D** **A**  
I m on the last american exit to my homeland  
**D** **A**  
I m on the last american exit to my last chance  
**G** **Gmaj9** **D** **A**  
They keep calling out my name - I shout it down

You ve made them wonder and know for sure  
you ve made them hunger at night and then run for the door  
you know you ll probably cry like caesar s son when you re found

It s not your place it s another town  
let s face it baby I m up and then baby I m down  
You ll watch the border offer you fame and watch you drown

CHORUS

**D** **Dsus2** **Dsus2/E**  
Know your neighbours and know they ll take us
